Front end

- HTML/HTML5
- CSS/CSS3
- Bootstrap
- JavaScript
- React.JS
- Redux
- Rest API Services

Backend

- Python
- Django Framework
- Python Machine learning
- NumPy

Database

- My SQL

Development Tools

- Visual Studio Code
- GitHub

M.GOVINDARAJ

PYTHON FULL STACK DEVELOPER

MSC.CS (2023)

PROFILE

I have over 6 Months of experience working in Full Stack Web Development. Currently, I am working as a Web Developer at Besant Technologies, where I develop functionalities for web applications and building web products for clients. I'm deeply passionate about creating loved and trusted products that help people navigate their careers and achieve their career goals.

Highly motivated to learn and master new concepts and technologies. Team Player Strong collaborator who values the input of others and thrives in a team environment.

PROFESSIONAL EXPERIENCE

PROJECTS:

1.Bird Image Recognition System

March-2023

- Designed and implemented a machine learning-based system to recognize and classify bird species from images. Utilized Python, TensorFlow, and OpenCV for training models and preprocessing datasets.
- The system achieved high accuracy through fine-tuned deep learning algorithms. Enabled users to upload images via an intuitive interface and view classification results.

Skills used : python, Python NumPy, Python Pandas, CV2 ,Python Machine Learning

2.Student Management System

Oct 2024 -Nov 2024

- Centralized database to store and manage student records, including personal details, academic performance, attendance, and disciplinary history.
- Secure login access for authorized personnel to update and maintain student information.
- Option to generate unique identification numbers (IDs) for each student for easy tracking.
 - Student Information Management
 - Enrollment and Admission
 - Update & Delete Records

Skills used :React.JS ,JavaScript,Json,Rest API Services,CSS,HTML, Bootstrap

CERTIFICATIONS:

Python Machine Learning (Dec 2022 - May 2023)

- C CUBE Technologies Erode.

Full stack Python Developer Certification(June 2024 - Present)

- Besant Technologies, Bangalore.

MY HOBBY:

Very much fond on writing poetry, Reading books, making handicrafts, watching movies and scientific TV shows and Listening to music. Love to take care of maintenance of garden. Take photography and videography

LANGUAGES:

- English (Fluent)
- Tamil(Fluent)
