Cloud Computing and its applications in ICT

Participated in webinar held by Sri Vidyanyikethan Institute of Management, Tirupathi

PROJECT

Hostel Management System (01/2022 - 05/2022)

- This application will help the Hostel to centralized the activities and maintain data transparency where needed and properly store data for regular operations and future analysis.
- Here students can view their bills and the warden can maintain and manage data regarding the hostel facilities and the fee billing system.

ACHIEVEMENTS

Volunteer in National Service Scheme (2016 - 2022)

NSS helps the student to grow individually and also as a group. It makes the students confident, develop leadership skills, and gain knowledge about different people from different walks of life
