

Aaliya . M

UI / UX &
GRAPHIC DESIGNER

Profile Summary

Enthusiastic and self-motivated BBA graduate with a passion for design and user experience. I have gained practical skills in graphic design and UI/UX design through online courses and hands-on projects using tools such as Figma and Canva. My background in business administration gives me a strong understanding of business needs, which I combine with creative design solutions to enhance user engagement. Adept at creating visually appealing, user-centric designs, and eager to apply my skills in a dynamic, growth-oriented environment.
