## OBJECTIVE

My career objective is to build a career in a reputed organization which will allow me to utilize my skills and knowledge to fulfill the goals of the organization and to obtain a challenging career in the IT industry and put all my efforts into the growth of the organization and have a great working environment.

## PROFILE SUMMERY

I'm a highly motivated graduate with a Bachelor's degree in Business Administration, specializing in Computer Applications. I aspire to build a dynamic career in web development, combining my solid business administration background with my strong interest and skills in programming. I'm eager to bring my analytical and problem-solving abilities to a collaborative team environment, contributing effectively to the team's success.
